From the Principal's Desk

Greetings!

Mahatma Gandhi Govt. The college is located about 7 kms. away from Mayabunder town and is the only Premier Institute of Higher Learning in the district of Middle and North Andaman. Its sphere of activity and catchment area ranges from Paschimsagar of Diglipur up to Baratang, encompassing a wide area which is predominantly rural in nature and caters to the higher educational needs of a population of more than 2.5 lacs. Initially established in Car Nicobar in 1990 as the second Degree College, the college was later shifted to its present location and renamed as Mahatma Gandhi Government College. The college currently thrives on a sprawling 36-acre campus with an eco-friendly atmosphere, an enchanting sea and a virgin forest view. The college is an attraction not only to students but also functions as a lifeline for many young people in the area for over 30 years. Initially started with less than a hundred students, it has increased its strength to 514 bearing 48 teaching staff, more than 32 non-teaching staff and more than 34 supporting staff. The college now offers honours courses in seven main streams. They are: B.Com. (Commerce), B.Com. (Co-operative Management), B.A. (Economics), B.A. (History), B.A. (Political Science), B.Sc. (Geography) and B.A. (English).

The campus starts with a bronze statue of the Father of the Nation, Mahatma Gandhi, which stands as a source of inspiration to all students and staff. The statue is surrounded by flowering and other ornamental plants, giving an aesthetic charm to the onlookers and adding to the overall beauty of the campus. The college has one administrative building, which houses the Principal's room, Visitors' room, P.A. to Principal, Office, all the Heads of the Departments, Ladies Common Staff Room, Gents Common Staff Room, Admission and Examination Wing,

Computer Lab, Geography Lab, Stores, Record Room, NSS Unit IGNOU Study Centre and many other allied rooms utilized for academic and cultural pursuits. Besides, there is an adequate triple-storied library with many amenities such as a reading room, reference and issue section and a seminar room. The conference room is well-furnished and well-equipped with all the latest technology and can host a maximum of 150 students. All the classrooms in college are smart ones, equipped to cater to the needs of changing times and growing demand. Apart from the existing classrooms, more classrooms are being created.

We also have a well-equipped Computer Lab for examination and learning, as this college aims to provide 100% computer literacy to its students and staff by 2026. The Auditorium has a capacity of more than 600 in one sitting and caters to the needs of the students for cultural functions and also for inter-departmental debate discussions. Attached to the auditorium, there is a well-equipped Sports Centre with Multigym, Trade Mill and other modern equipment to cope with the students' needs. The college also has a well-furnished canteen, which is given on a contract basis. One of the achievements of this college is having sufficient staff quarters and earmarked Principal's quarters, which cater to the needs of employees who want to stay on the campus. Amenities like water, electricity, and cleanliness have been maintained, which adds up to a congenial working atmosphere for the staff as they develop affinity by staying together. The college also has two standard separate hostel buildings for boys and girls, which cater to the needs of all the students who desire to stay in the hostels. The indoor games centre, popularly known as the Gym Centre, is well-maintained with all types of indoor games such as carrom, table tennis, badminton and chess. Every evening, students, teaching and non-teaching staff, along with the assistance and encouragement of the Assistant Professor in Physical Education, make it a point to play together and thus keep the campus vibrant and happening throughout the year.

I am humbled indeed to welcome you all to embark on a journey of prosperity, discovery and achievement. I wish you all the very best for your future endeavour and career aspirations.
